

Consell de Formentera premiere Alejandra Ferrer and SD Formentera president Toni Roig have signed a deal to partner on coordination and management of the island's municipal school for junior football, or futbol base. First deputy premiere Ana Juan was also on hand at the signing.

Under the agreement, the Consell will give €35,000 to SD Formentera, which pledges to use the money to oversee agreed-upon activities in a yearly agenda. As owner of the school, the Consell agrees to temporarily let SD Formentera use it.
