From Monday to Friday next week (22--26 May), the School of Music and Dance of Formentera will open its doors to children and adults who wish to attend and participate directly in the classes.

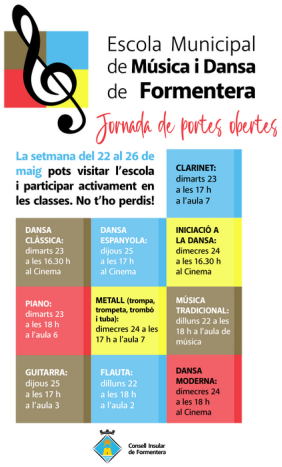

As Alejandra Ferrer, education councillor, explained, "with this proposal we intend to open the School of Music and Dance to the public so that they can discover the dance and music offer first hand and decide if they want to enrol". The enrolment process will begin in June.

Activities and hours
Classical dance: Tuesday 23 May at 4.30pm in the Cinema.
Danza española: Thursday 25 May at 5.00 in the Cinema.
