

Friday from 7 pm in Sant Ferran's plaça Guillem de Montgrí, the primary-school children of CEIP El Pilar in la Mola and Mestre Lluís Andreu in Sant Francesc will join the Formentera municipal band in putting on a Christmas concert. After a selection of holiday carols dubbed “Cantam Nades”, or “We sing Christmas carols”, performers and onlookers alike are invited to hot chocolate and coca dolça fit for those with gluten and lactose intolerances.

This year is the concert's first in the recently completed Sant Ferran square, instead of Sant Francesc's plaça de la Constitució as in years past.
