

The Formentera Office of Culture is pleased to report that from 31 January to 5 February the Sala d'Exposicions "Ajuntament Vell" will host a exhibition of work from first and second year art students in non-compulsory secondary studies at IES Marc Ferrer. The *batxillerat* programme has been offered in art since 2020.

This year, five students will show some twenty pieces from the first quarter of Artistic Drawing and Techniques of Graphic and Plastic Expression. The pieces were fashioned on an array of media, such as canvas, wood, cardboard and paper. Students employed techniques in painting, mixed media and more, and incorporated collage, frottage, transfers, charcoal and engraving.

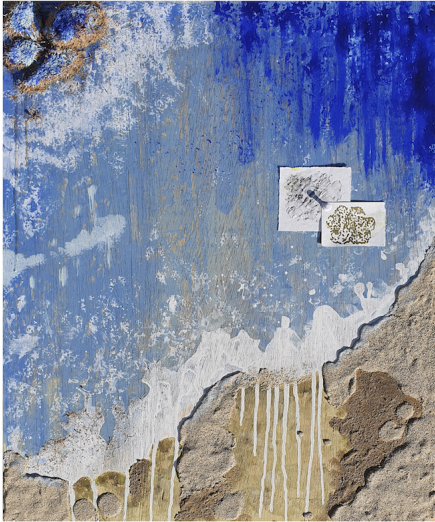

An assortment of themes are touched on in the exhibition, which stems from students' work on natural and artificial forms and represents their interpretation of local architectural heritage with varying degrees of iconoccity.

The exhibition will open on Monday 31 January at 6.00pm. The exhibition will be on view at Sala d'Exposicions "Ajuntament Vell" from Tuesday to Saturday, 11.00am to 2.00pm and 6.00pm to 8.00pm.
