

The Formentera Office of Culture is pleased to announce that the Sala d'Exposicions "Ajuntament Vell" will host *A Collection of Contemporary Art III: Painting and Others* from 14 March to 2 April. The second and third parts of this series will be shown at "Far de la Mola" Cultural and Educational Space from 15 March to 1 October.

A Collection of Contemporary Art highlights works taken from the collection of Catalina Verdera Ribas and is curated by Manolo Oya through Trampolí Mecànic, a cultural association. This is the third instalment of the exhibition.

Primarily focused on painting, *A Collection of Contemporary Art* also incorporates drawings, graphic works and objects. Featured artists represent a mix of local names, former residents and others who hold the Pine Islands dear. The 42 artists, among them Narcís Puget, Antoni Marí Portmany, Rafael Tur Costa, Enric Riera Tur, Erwin Broner, Toni Cardona Cardona, Helena Belzer, Antoni Tàpies, Carmen Calvo and Jaume Plensa, take visitors on a journey through the history of contemporary art on Eivissa and Formentera. Other featured artists are individuals with whom Catalina Verdera has maintained a relationship as a gallery owner and collector.
