The Formentera Office of Culture is pleased to report that from 11 to 16 April the "Ajuntament Vell" exhibition space will host creations by students in the woodworking course offered by Aaron Keydar.

The exhibition will feature wooden sculptures carved by the seven students throughout the course. These pieces give an up-close look at the properties and particularities of woods from olive, loquat and almond trees.

The exhibition will open its doors on Monday 11 April at 6.00pm. "Ajuntament Vell" gallery opens Tuesday to Saturday from 11.00am to 2.00pm and 6.00pm to 8.00pm.
