

The Formentera Office of Culture is pleased to report that from 19 to 30 April the Sala d'Exposicions "Ajuntament Vell" will host "Dualislad" by Formentera resident Maurizio Lamberti.

For Lamberti, "Dualislad" expresses the idea of uniting two different visions of the same reality. The photographs in some works are readily distinguishable, while in others, a more careful eye is required to pick out the distinct points of view and motifs. In this way, Lamberti pieces together our island like the pieces of a puzzle. As the artist comments, "These not so visible parts contribute to the uniqueness of the island".

The exhibition, Lamberti's first in 2022 to feature photographs, shows a different view of Formentera through multiple overlapping images. In this way, through varying opacities in the same photograph, we can see a new context with some motifs recognisable to all.

The exhibition opens its doors on Tuesday 19 April at 6.00pm. "Dualislad" will remain on view until 30 April at the Sala d'Exposicions "Ajuntament Vell", Monday to Saturday from 11.00am to 2.00pm and 6.00pm to 8.00pm.

The exhibition space will be closed Sundays, bank holidays and Monday mornings.
